

# 2021 Workshops

Summer

## Parkour - Mondays, 7-8:30 PM

**Format:** In-Person, outside

**Location:** Bloominglabs, 1840 S. Walnut Street

Always wanted to learn Parkour? Take the leap, with our Parkour class: brought to you by Bloomington Parkour and Bloominglabs! You'll learn the fundamentals of the Art of Movement, in a safe and fun environment.

**Cost:** \$15 a session, cash or card (\$10 for members)

## Code Nite Inn - Tuesdays in Sept. 7-10 PM

**Format:** In-Person

**Location:** Bloominglabs, 1840 S. Walnut Street

Come hang out and learn about Linux servers by building your own! Through a mix of lecture and collaboration we'll explore command line interface (CLI) or graphic user interface (GUI), image creation, virtualization, networking, security, SSH, and x11VNC

**Cost:** \$5 a session (Free for members)

## Intro to Welding—Sept. 11th, N-5 PM

**Format:** In-Person

**Location:** Bloominglabs, 1840 S. Walnut Street

No experience required. Learn and practice 4 types of welding: Mig, Tig, Stick(Arc), and Oxygen-Acetylene. This is an introductory class intended to teach safe use so that you can practice during public nights.

**Cost:** \$85 (\$60 for members)

## Study Group: Hackerspace Software Infrastructure

### Thursdays (starting Sept. 16th) 7-9 PM

**Format:** In-Person

**Location:** Bloominglabs, 1840 S. Walnut Street

Are you interested in networks, business programs, or management software? Come play with our systems! Our whole space is a playground - and that includes our website, network, and management programs. This is a casual learn-together study group.

**Cost:** \$5 a session (Free for members)

## Intro to Arduino - Sept. 19th, 7-9 PM

**Format:** In-Person

**Location:** Bloominglabs, 1840 S. Walnut Street

Arduino is not just hardware, it can be used to prototype a product idea, create art, or as a fun creative hobby. In this workshop you'll be programming an Arduino and be taught helpful beginner tips.

**Cost:** \$30, pre-registration required (\$20 for members)

## Intro to Screen Print - Sept. 26th, 2-4 PM

**Format:** In-Person

**Location:** Bloominglabs, 1840 S. Walnut Street

Learn to design and burn your own screens for screen printing! By the end of this workshop you will have a re-usable screen that you can use to put your custom graphic on just about anything, from shirts to posters.

**Cost:** TBD
